

Scrooge: Marley? Jacob Marley? Is that really you? No, I won't believe it! I just had too much cheese at dinner.

Scrooge: Aaargh! You're still here. Oh what do you want with me?

All (except Marley)

1.He was Jacob Marley,
Now he's with the other ghouls,
He was Jacob Marley,
Friend to you and just as cruel.
He was Jacob Marley,
Now he's on the other side,
He was Jacob Marley,
But he's much improved since he died.

2.He was Jacob Marley,
Crooked as a bag of snakes,
He was Jacob Marley,
Odious and on the make.
He was Jacob Marley,
Never known to sympathize,
He was Jacob Marley,
But he's much improved since he died.

Ghosts: WHOOOOOOOOOOOOOO!

Will you pack that in?!

Ebenezer, this is just a friendly warning, (WHOO)

Spirits of another time will come to have a word with you, (WHOO)

You have to chance to change before the Christmas morning, (WHOO)

This is an invite from spirits of the night,

A special offer to start anew, (WHOO)

(spoken) I won't tell you again)
