

Achieving Success Together

Welcome to Browick Road Primary and Nursery School

Mrs Adams

I am the class teacher. I love stories, playing and painting. I can't wait to meet you all!

Our teaching assistant

Mrs Scott

Miss Laflin is our headteacher.
She likes to get to know the children so you
might see her around school or serving lunches.

All our classes are named after countries.
We are China class. This is our classroom.

This is our outdoor classroom.

In the morning,
you will come in through this door.

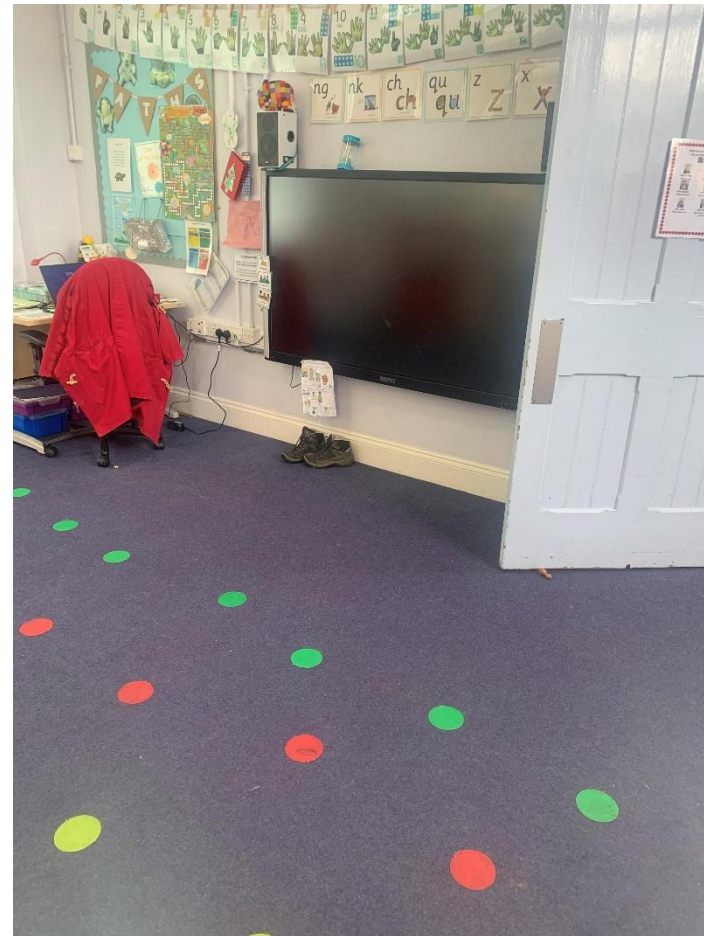

This is the cloakroom. Look for your peg – it has your name and picture. You will hang up your coat and bag.

You will bring in your red book (contact book)
and put it in the basket.

You will write your name and sit on the carpet ready to say good morning.

Drink and snack time

We have snack together in the middle of the morning. Most days there is milk to drink and a piece of fruit or vegetable. Each week there might be raisins, carrot, tomato, apple, orange, banana or sometimes other things. There is usually one type each day.

Everybody in class has their own cup in their house colour with their name on. Blickling is blue, Felbrigg is green, Holkham is red and Sandringham is yellow.

Lunch time

We have lots of delicious lunches! There is usually a school packed lunch, jacket potato, hot lunch or vegetarian hot lunch to choose from. You can also bring your own packed lunch from home.

In the autumn term we ask the grown-ups to help you choose which lunch you would like and send a form into school the week before.

You will sit in the hall to eat your lunch. You will be on a table with the other Reception children. After you have eaten, most of the teachers have their lunch in the staff room and all the dinner ladies will look after the children.

Lunch time

When you finish eating you will have playtime in the outdoor classroom. After a few weeks we will have our playtime with the other children in school. This is on the field or the playground. The bigger children and grown-ups will help you find where to go. If you need help at lunch time or if you hurt yourself one of the grown-ups on the playground can help – just ask!

At the end of lunchtime play you will line up with your class. Your dinner lady will bring you back to the classroom so you can go to the toilet, have a drink of water and sit down ready to say good afternoon in the register. Your teachers will come back to the classroom for the afternoon.

These are the toilets that we use.

You need to ask a grown-up before you go to the toilet and you always wash your hands afterwards. There is a hand drier in the toilets and paper towels in the classroom for drying hands after you wash them.

You need to close the door when you use the toilet. Only one person goes in the toilet cubicle at a time unless a grown-up is helping someone.

If you need help or have a toilet accident it's ok, you just need to ask an adult to help you.

This is the playground.

It's where we go after eating lunch and sometimes at playtimes with the other classes. Sometimes you can use the wheeled toys.

This is the field.

We have a big field for playtimes, lunchtimes and PE. There is a running track so you can all get better at running. There's a hill to play on and some play equipment called the play trail which you can use if there is an adult to help you. There are benches you can go to sit quietly too.

Busy Bees nursery class is in the corner of the field.

This is the hall.

This is where you go to eat lunch. Sometimes you will go there to meet with other children in assembly or for other celebrations. These are special times for being together as a class or maybe even as a whole school group. We will go in here for activities like PE where you might get to jump, climb, balance or dance.

This is the library and first aid room.

The library is a lovely room where we keep lots of brilliant story and information books.

The first aid room is where you might go with an adult if you have hurt yourself. It's where we keep all of our plasters and ice packs for bumps to make you feel better.

Home time!

After you have been busy playing in the afternoon it will be time for you all to tidy up. Then you will sit on the carpet ready for a story before you get ready to go home again.

You will wait in the line until your teacher tells you it's ok to go to your grown-up.

Your grown-ups will wait for you on the playground near this door. It's very close to our classroom toilets.

What do you need?

A School bag. It might look like this or you might have a different one. You will hang your bag up on your peg every day and take it home at the end of the school day. If you take your jumper or cardigan off you will put it in your bag.

A lunchbox. They all look very different but sometimes two or more children have the same one! If you bring a packed lunch from home you will put it in the corridor by the pegs in the morning. It needs to have your name on the outside.

Wellies and a coat. They might look like this. They should have your name inside. Wellies stay in school under your peg. If the weather is very cold you will also need to bring a warm hat, gloves and maybe even a scarf! In the summer, you will need suncream and a sun hat.

Make sure everything is named!

We can't wait for you to join our class!
